Summary

I am Sahil pursuing my B.Tech 3rd year in the stream of computer science and engineering from Galgotias University.

I choose that field of study because I've always been interested in web designing, and a couple of family members told me it leads to great career options, too."

My strength and interest include I am hardworking, self-motivated, and positive attitude.

My goal for the future is to get a job in a reputed company.

And my long-term goals improve my knowledge and skills to reach a good position in the company.

That's all about me.

Thanks & Regards,
Mohd. Sahil
